Dear St Cyprian's School Parents and Guardians,

The School Council and the Head, Sue Redelinghuys, have decided to re-launch St Cyprian's School as part of the MySchool Community. Many of our parents are already members but we would like to encourage all our parents/guardians/and family members to become part of this scheme. The money so far collected through this project has gone towards computers in the classrooms and now we plan to put the collected money towards our Building Project.

### **What is the MySchool programme?**

The MySchool card is not a debit or credit card. In fact, it does not cost you a cent.

The card allows you to raise valuable funds for your chosen school or charity every time you swipe it at over 2 500 participating MySchool Business Partners. MySchool is South Africa's foremost community support programme, contributing more than R1.5 million to schools and charities every month. To date, the programme has raised over R63 million. MySchool supports South African learners by creating a sustainable income for schools, through a collaborative community support model.

The programme gives parents and other community-minded individuals a vehicle through which to make a meaningful contribution to schools, in a convenient and transparent manner.

**The best part! It does not cost you, as a supporter, anything to make a difference!**

### **What can you do to support the MySchool programme?**

Please read the Parent Information Letter attached for a detailed description of the programme or visit the website on [www.myschool.co.za](http://www.myschool.co.za). Then complete the Supporter Card Application form. It is very important that there are no fields missing when we submit these forms to MySchool. Your attention and effort is much appreciated and will go a far way to benefiting the school and ensuring that school contributions are channelled and managed correctly.

Apply for the card and once you receive it, start buying and swiping at any MySchool Business Partners. Every Swipe will raise funds for our school.

This form should be returned to Stasia Masconi as soon as possible.

We thank you for your positive contribution through participation!

Yours truly,

Clairanne Camplemann
